SARAH HAKIM

FIRST-YEAR B.TECH - COMPUTER SCIENCE & ENGINEERING

Academic Portfolio Submitted for Review | Academic Year 2025 - 2029

ACADEMIC SNAPSHOT

- Current Standing: First Year (Semester II) | Current CGPA: 9.2 / 10.0
- Institution: Institute of Engineering and Technology (IET), Bengaluru

1. TWO-LINE STUDENT INTRODUCTION

First-year B.Tech Computer Science student passionate about building clean software and exploring algorithms. Curious learner navigating data structures, web technologies, and turning creative ideas into impactful code.

2. PORTFOLIO OBJECTIVE & PROFILE SUMMARY

This portfolio has been curated to document my foundational engineering progress, academic coursework, technical skill development, certifications, and campus activities as a first-year undergraduate student. It accompanies the interactive web portfolio deployed locally.

PORTFOLIO INDEX & CONTENTS

Page 1: Student Identity, Academic Snapshot & Two-Line Intro

Page 2: My Story / Life Journey, Technical Skills & Downloadable Certificates

Page 3: Formal Education History, Hobbies & Interests, Campus Location & Contact

Note: Resume and all certificate PDF documents are packaged alongside this portfolio.

MY STORY, SKILLS & CERTIFICATIONS

A. MY STORY / LIFE JOURNEY

[2021 - 2023] School Foundations & The First Spark of Curiosity
First learned basic programming logic in school. Automating math calculations ignited my interest in how software systems power modern everyday life.

[2023 - 2025] Senior Secondary Preparation (Class XII - PCM 94.8%)
Engaged in rigorous problem solving across Calculus, Mechanics, and Computer Science. Confirmed my aspiration to pursue B.Tech in Computer Science and Engineering.

[2025 - Present] First Year B.Tech CSE (Current CGPA: 9.2)
Mastering structured programming in C/C++, object-oriented design, fundamental data structures, and modern frontend web development (HTML5, CSS3, JavaScript).

[Future Aspiration] System Architecture & Open Source Contribution
Aiming to master distributed systems and contribute to impactful open-source repositories.

B. TECHNICAL & CORE COMPETENCIES

Programming Languages:
- C / C++ (Pointers, Memory Management, OOP, Structs) - 85% Proficiency
- Python (Scripting, Algorithmic Logic, Automation) - 85% Proficiency
- JavaScript (ES6+, DOM Manipulation, Event Handling) - 70% Proficiency

Web Technologies:
- HTML5 (Semantic elements, Accessibility) & CSS3 (Flexbox, CSS Grid, Responsive Design)

Core Computer Science & Tools:
- Data Structures (Arrays, Linked Lists, Stacks, Queues, Time Complexity Big-O)
- Tools & Utilities: Visual Studio Code, Git, GitHub, Linux Shell, Windows Terminal
- Soft Skills: Analytical Thinking, Collaborative Teamwork, Technical Documentation

C. ACHIEVEMENTS & DOWNLOADABLE CERTIFICATES

1. Python Programming & Foundations [ID: PY-2025-98421]
Completed 40 hours of rigorous Python coursework covering OOP, data structures, and algorithms.
Downloadable File: assets/docs/certificate-python.pdf

2. Modern Responsive Web Design & Frontend [ID: WEB-2025-44109]
Demonstrated frontend proficiency in HTML5, CSS3 layout systems, and responsive design.
Downloadable File: assets/docs/certificate-webdev.pdf

3. Top 5% Rank - Freshers CodeSprint 2026 [ID: CODE-2026-0812]
Honored in annual inter-college competitive coding championship for first-year engineers.
Downloadable File: assets/docs/certificate-hackathon.pdf

ACADEMICS, INTERESTS & CONTACT DETAILS

1. FORMAL EDUCATION

Bachelor of Technology (B.Tech) in Computer Science & Engineering
Institute of Engineering & Technology (IET) | 2025 - 2029 | Current CGPA: 9.2 / 10.0
Coursework: C/C++, Calculus, Discrete Structures, Digital Logic, Basic Electrical & Electronics

Higher Secondary Education (Class XII) - Science (PCM + CS)
Central Board of Secondary Education (CBSE) | 2025 | Percentage: 94.8%
Distinction in Mathematics and Computer Science

Secondary School Examination (Class X)
Central Board of Secondary Education (CBSE) | 2023 | Percentage: 96.2%

2. HOBBIES & PERSONAL INTERESTS

- Competitive Problem Solving: Solving algorithmic logic puzzles on LeetCode & CodeChef
- Chess & Strategy Games: Playing rapid games to train foresight and decision making
- Tech Reading & Blogs: Keeping up with modern developer tooling, software architectures
- Badminton & Fitness: Regular campus sports to maintain agility, stamina, and energy
- Architectural Photography: Appreciating geometry and spatial balance that inspires UI/UX

3. CAMPUS LOCATION

- City & State: Bengaluru, Karnataka, India (Tech Corridor)
- Campus: Department of Computer Science & Engineering, University Campus
- Geographic Coordinates: 12.9716 N, 77.5946 E | Time Zone: IST (UTC +5:30)

4. CONTACT DETAILS & SOCIAL PROFILES

Direct Phone Number: +91 98765 43210 (Mon - Sat, 9:00 AM - 6:00 PM IST)

Institutional Email: sarah.hakim@college.edu

Personal / Alt Email: sarah.hakim.tech@gmail.com
